## ABOUT SILB

Formed under the aegis of the Foundation for Life Sciences and Business Management, a non-profitable organization, Shoolini Institute of Life Sciences and Business Management (SILB) is the culmination of the lifelong dream of several internationally renowned academicians and business leaders. Our model is to blend expertise in biosciences with the principles and practices of business management and create skilled human resource for future leadership positions in biotechnology, microbiology and business management. SILB has produced 18 Gold Medalists and more than 135 rank holders in HP University since its inception.
